17 Chair Helen Burton called the meeting to order at 5:00 p.m.

18 **1. PRESENTATIONS**  
19

20 **1.1 Presentation on a Seabrook Bike Route Proposal to connect SH146 to NASA Parkway.**  
21 **(Cycle Clear Lake Team)**  
22

23 Robin Elgart, with Cycle Clear Lake, stated that the cycle team is advocating for safe cycling  
24 in the Houston's Bay Area and are proposing a bike route addition to connect SH146 shared-  
25 used path to NASA Pkwy. The Cycle Clear Lake's vision includes: creating a safe  
26 environment for the diverse cycling community and focus on bike trail improvements for  
27 individuals riding on their own or in groups.  
28

29 Cycle Clear Lake was briefed by TxDOT on SH146 improvements and the impacts it will  
30 have on cyclists/pedestrians. A 14ft shared-use path (east side of bridge) is planned as part of  
31 the improvements. The Cycle Clear Lake team proposes a marked connection for cyclists  
32 wanting to visit Seabrook or use SH146 facilities, when coming North from Kemah or west  
33 from NASA Parkway.  
34

35 The implementation concept of the proposal would be to install 7 signs to mark city-  
36 supported bike routes, add painted zebra crosswalk across Hardesty to allow safe pedestrian  
37 crossing from shared-use path, add the bike route to official Seabrook parks/trails  
38 information, and support adding the bike route to Harris County Parks and HAC routes  
39 information.  
40

Deputy City Manager, Sean Landis, and Public Works Director, Kevin Padgett, will take the following information back to the City Manager, Gayle Cook.

## **2. PUBLIC COMMENTS AND ANNOUNCEMENTS**

Jeff, 1502 Main Street, resident and bike shop owner of Slow Twitch Niche, on 1506 Main Street, believes the designated bike signs will keep cyclists safe. Cyclists from all around the Houston area come down to ride. Seabrook Waffle Company ranks #3 of Houston's top attraction for cycling.

## **3. OLD BUSINESS**

### **3.1 Discuss and take all appropriate action pursuant to the motion made and approved at the Joint City Council/Open Space and Trails Committee meeting on March 26, 2019 to move forward with the creation of a Carothers Task Force of no more than seven (7) people consisting of a real estate professional, a parks professional, a landscape/plants professional, a member or members of the Open Space and Trails Committee, and a member or members of the City Council or City staff to be tasked with**

- **Determining through a real estate professional the value of the property and the process for selling only the building at Carothers Coastal Gardens**
- **Opening the property between Carothers and Pine Gully Park and making the park section of Carothers accessible to the public**
- **Determining potential options for the use of Carothers Coastal Gardens, should selling the building be found to be prohibitive**
- **Being mindful of the amount of staff time it would take to carry out any and/or all options**

Open Space and Trails Committee Member David Popken, who is also the Chair for the Carothers Task Force, stated that besides himself and Council Member Hammann the following five (5) individuals have agreed to be on the Carothers Task Force and four (4) individuals have agreed to be alternates:
